The Dreamer

AT THE AGE OF 9, TENILLE EXPERIENCED NATIONAL MEDIA ATTENTION WHEN SHE WAS HOISTED
ONTO AN EDMONTON STAGE TO PERFORM WITH SHANIA TWAIN.
IT WAS THEN THAT SHE DECLARED
"I REALLY WANT TO BE A SINGER - THAT'S MY DREAM."
AND SO HER DREAM UNFOLDS...

WHAT THEY ARE SAYING

A sample of messages and excerpts taken from letters, notes & thank-you's received from those who have taken part in Tenille's presentations!

✧ "The performance gave a deeper sense of emotion behind the songs and I think it helped everybody connect more. The experiences that she has had are very similar to the experiences that we've had and I thought it was really cool to connect with her on that level."
--Amara Baker, Student

✧ "It was great for our students to have somebody who is out there following her passion. It inspired them to pursue their dreams, to look into avenues of interest. They walked away from her performance excited for the day and willing to try new things. It was fabulous to have her at our school." - Grande Prairie Crystal Park Teacher

✧ As Chair of the Grande Prairie Youth Emergency Shelter Society (operating as Sunrise House) I felt very fortunate that Tenille chose our organization to support with her Annual Big Hearts for Big Kids Fundraiser. After the 3rd annual event was held in February 2012 she had raised almost \$200,000. These funds are incredibly important and enable the staff at the Youth Shelter to provide hope to hundreds of youth that may not otherwise receive the care and guidance that they need. Her own generosity and her ability to bring the community together will have a long term impact for years to come. Tenille's selfless approach and kind heart have made it so easy for our community to back her and wish her all the success in the world. Her caring enthusiastic approach to life is contagious and I can't wait to see what that brings in the future.
--Sean Doerksen, Chair - GPYESS
